→ Universal Design

Universal Design

Large, 2.0-inch Colour LCD and Icon Menu

The large, 2.0-inch screen is easy-to-read, and the GUI-like icon-based menu screen lets you access functions without confusion. You can also choose from 3 attractive Wallpaper patterns to suit your taste and room decor.
Image | Green | Winter

Universal Design

Large Text Display Mode

Items on the menu screen and lists* can be selected and enlarged for easy viewing. This is an especially helpful function for people who have difficulty reading small letters.
* Menu list, phonebook list, caller list and redial list.

→ Prevent Unwanted Calls!

Unique Technology

Incoming Call Barring* (Call block)

Calls from previously registered phone numbers are rejected. There is no more need to hear the voices of callers you wish to block.
* Requires subscription to Caller ID service offered by a telephone company

---

→ For Comfortable Sleep

Unique Technology

Night Mode

Each handset can be programmed to prevent ringing during specific time periods, so you will not be woken up by the phone.

→ Ample Address Memory

200-Name and Number Phonebook

You can store up to 200 names and numbers in the built-in memory of the handset, for quick and easy access. You can also transfer individual names and numbers or the entire directory all at once to an optional handset*.

* Optional handset required. Not available for BX model.

→ Talk Even While You're Busy

Hands-Free Speakerphone on Handset

The hands-free speakerphone lets you talk on the phone even when you're busy cooking, cleaning, using your PC, or doing just about anything. It's also handy for taking notes, typing, etc.

→ Visual Confirmation of Incoming Calls

Universal Design

Illuminated Keypad and Ringer Indicator

When there is an incoming call, the keypad on the handset lights up and the Ringer Indicator blinks to tell you. The illuminated keypad also simplifies operation in the dark, and the Ringer Indicator lights up while the battery is charging. It also acts as a Charger Indicator. When the battery is fully charged, the indicator turns off.

Ringer Indicator

Bundle Model
